Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(c)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the document identified on the attached listing. This Information Disclosure Statement is being filed after the events recited in Section 1.97(b) but, to the undersigned's knowledge, before the mailing date of either a final Office Action, Quayle action, or a Notice of Allowance. Under the provisions of 37 C.F.R. § 1.97(c), this Information Disclosure Statement is accompanied by a statement complying with 37 C.F.R. § 1.97(e), which is set forth below.

The document listed on the attached form was first cited in a communication from the Japanese Patent Office in a counterpart foreign application, and this Information Disclosure Statement is being filed within thirty days of the mailing date of that communication and therefore within thirty days from its receipt by any individual

identified in 35 U.S.C. § 1.56. In accordance with 37 C.F.R. § 1.704(d), no negative patent term adjustment will result from this Information Disclosure Statement.

A copy of the listed foreign document is attached. Also attached is a copy of a partial translation of the listed document and both the above-mentioned communication from the Japanese Patent Office and its English-language translation. Applicants' counsel does not know whether the partial translation is an accurate representation of any and all relevant disclosure that might be contained in the listed document and, thus, it should not be treated by the Examiner as such. Further, Applicants do not subscribe to any statement or characterization in the communication from the Japanese Patent Office.

Applicants respectfully request that the Examiner consider the listed document and indicate that it was considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If the Examiner applies the document as prior art against any claims in the application and Applicants determine that the cited document does not constitute "prior art" under United States law, Applicants reserve the right to present to the U.S. Patent and Trademark Office the relevant facts and law regarding the appropriate status of the document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please
charge the fee to Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
